EUCOM OCS Planning Initiatives

Projects

- **CLPSB:** first board held 20 Jan 09
- **Contracting Component Cross-Talk**
- **SPOT implementation**
 - Published EUCOM Notice
- **EUCOM Contracting Assets and Capabilities Map (ECACM)**
- **JCASO Integration - AC09**

Best Practices

- Use of boards, DCO Connect (button-2) to communicate/synchronize in Command
- Developed relationship with J-5; with JPWG and informal comms
- Use exercise(s) as forcing function

Lessons Learned

- GAO Visit/AC09 pushed awareness of OCS in Command
- Involvement w/JPWG(J-5) & current ops
- Need EUCOM publications to implement

Planned Proj Initiatives (12-18 Months)

- Partner with J-1 on ANNEX W creation/process
- Continue ANNEX W SPOT/accountability
- Complete phased SPOT implementation
- POA&M on EUCOM OCS directives
- Populate OSD/DPAP-CCDR website
- Update the ECACM with sourcing info
